Think Ahead

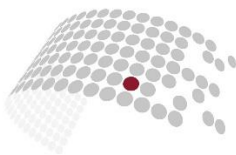

We're the world's most forward-thinking professional accountancy body.

We are ACCA (the Association of Chartered Certified Accountants), a globally recognised professional accountancy body providing qualifications and advancing standards in accountancy worldwide.

Founded in 1904 to widen access to the accountancy profession, we've long championed inclusion and today proudly support a diverse community of over 247,000 members and 526,000 future members in 181 countries, including a community of nearly 12,000 members working in the UK Public Sector.

Our forward-looking qualifications, continuous learning and insights are respected and valued by employers in every sector. They equip individuals with the business and finance expertise and ethical judgment to create, protect, and report the sustainable value delivered by organisations and economies.

Guided by our purpose and values, our vision is to develop the accountancy profession the world needs. Partnering with policymakers, standard setters, the donor community, educators and other accountancy bodies, we're strengthening and building a profession that drives a sustainable future for all.

CASTLEFIELD RECRUITMENT

Castlefield Recruitment is a leading recruitment agency, operating nationally in the Public, Private and Professional Services sectors. We provide specialist recruitment services on a permanent, contract and interim basis including sectors such as finance, procurement, social housing, and much more.

We approach recruitment differently, ensuring that service is at the forefront of everything we do. We are seen by our customers as transparent and honest, seeking long term partnerships - helping us to become one of the UK's leading recruiters in our specialist markets.

The Chartered Institute of Public Finance and Accountancy (CIPFA) is a UK-based international accountancy membership and standard-setting body. We are the only such body globally dedicated to public financial management.

CIPFA believes that improving public services is the key to changing lives for the better and that good public financial management is central to achieving this ambition.

Our educational and advisory services support our members, students and other public finance professionals throughout their careers – helping them add value to their teams and the organisations for which they work. Through our work, we help ensure public money is raised and spent with the highest degree of openness.

We are committed to making a real difference to the world we live in.

ELFS Business Services is a nationally acclaimed NHS Shared Service Provider. Being an NHS organisation, we truly understand the challenges faced by our customers every day. We use this real-world insight to pioneer the development and provision of cost-effective solutions including ledger systems, financial accounting, purchase-to-pay, accounts receivable, payroll, pensions, and expenses services.

Established in 2002, ELFS Business Services has delivered best-in-class business services to NHS organisations for over 22 years, creating added value for customers by applying service excellence principles and utilisation of the latest technology to improve service users experience

Our team of over 240 highly skilled NHS staff deliver efficient, high-quality services to NHS Trusts seeking to enhance business services and reduce costs in support of frontline patient services. Our mission is to deliver value for money, quality services helping our customers to achieve their strategic and financial objectives

Liaison Group is a trusted partner to the NHS, specialising in recovering cash for reinvestment and freeing up time and resource to deliver more care.

Driving this vision is our mission to deliver direct savings and efficiencies, freeing up vital resources to be channelled to where they are needed the most - whether that be recruiting more frontline staff, improving retention of existing staff, funding additional equipment, or helping to free up more beds.

Our employees have a shared passion - to help create the best NHS for themselves and their loved ones. That's why we're so proud that our three business areas have delivered over £1.3bn of savings so far to be put back into health and social care communities across the UK.

modali+y

Modality is a UK business focused on providing sustainable, value for money, imaging equipment solutions to the NHS. These include Managed Equipment Service, Multi-Vendor Service and ultrasound transducer repair.

In 1998, Modality's management team pioneered the design and delivery of the first Managed Equipment Service, a product used today to deliver infrastructure and equipment to health providers and patients around the world.

Our UK based laboratory has repaired over 11,000 transducers from around the world, saving hospitals money, prolonging the useful life of ultrasound systems and helping hospitals meet their green targets.

Our ongoing relationship with the NHS includes providing expert mentorship on the Clinical Entrepreneur Programme (CEP). CEP innovations have benefited over 130 million patients and professionals and raised over \$1bn in funding for the NHS.

Modality imaging equipment solutions can be tailored to both your capital and revenue spending commitments to ensure that your equipment fleet is optimised. We look forward to meeting you at Stand 7.

One NHS Finance began as a nationwide conversation that gave everyone working in the finance community the opportunity to share current challenges and input into how the future of the function is shaped. Over 3,000 NHS staff helped to share their views which we used to shape the One NHS Finance strategy. We listened to what you wanted – and created a five-year plan to deliver it through our three national programmes:

- Future-Focused Finance - Supporting everyone to network, collaborate and share insights, ideas and best practice with finance and non-finance employees in the NHS
- The National Finance Academy – Ensuring NHS staff receive inclusive, comprehensive, and structured training and development while delivering on ED&I targets
- The Finance Innovation Forum - A place for finance professionals to discuss ideas, solve problems, share innovations, and respond to challenges

One NHS Finance gives everyone in finance a voice to shape its future. We're helping staff develop the skills they need to excel in their roles and accelerate their careers. Working together, One NHS Finance is driving change to improve patient care and outcomes.

Patchwork

Patchwork Health is on a mission to make flexible and sustainable working a reality for all healthcare staff. Their fully integrated workforce management solution helps optimise outcomes for organisations, managers, staff and patients. Built by a team of healthcare veterans, and co-created with the NHS, their technology and services have been embraced by over 50 healthcare organisations to date, saving £80 million and counting in workforce costs.

RMS is a leader in diagnostic imaging services for NHS Trusts. We work with Trusts UK wide to deliver a complete diagnostic imaging solution including CT, MRI and Ultrasound.

We help the NHS save money and increase efficiency through the best utilisation of existing imaging resources, as well as providing bespoke 7-day medical imaging services to reduce waiting lists through insourced, fully staffed scanners as well as community-based imaging support.

As a proud approved supplier on the NHS Workforce Alliance Framework for insourced services, we can quickly help your NHS Trust reduce Radiology waiting lists.
