

Accessing the Tax Centre of Excellence website

The site is available for anyone working in the NHS to access free of charge.

Anyone wanting to register needs to go to the following link:

<https://gff.civilservice.gov.uk/communities/centres-of-excellence/tax-centre-of-excellence/>

Registration permission is based on the domain name of the email so nhs.net and nhs.uk emails will be accepted.

Any issues with registration are likely to be because the site does not list all of the NHS bodies separately - instead it simply shows NHS England. Therefore, please select NHS England as your organisation and you will be able to access the website when combined with an nhs.net or nhs.uk email domain.

For additions to mailing lists email Tax.CoE@justice.gov.uk
